THIS DOCUMENT CONTAINS INFORMATION AFFECTING THE NATIONAL DEFENSE
OF THE UNITED STATES. WITHIN THE MEANING OF TITLE 18, SECTIONS 793
AND 794, OF THE U. S. CODE, AS AMENDED. ITS TRANSMISSION OR REVEL-
ATION OF ITS CONTENTS TO OR RECEIPT BY AN UNAUTHORIZED PERSON
IS PROHIBITED BY LAW. THE REPRODUCTION OF THIS FORM IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

1. Dr. Guenther Rienaecker and his assistants at the Institute for Catalysis Research (Institut fuer Katalyse Forschung), located at Buchbinderstrasse, Rostock, are to be transferred to an East Berlin institute, probably at Humboldt University. This move is expected to take place about 1 January 1954.
2. The assistants who are to accompany Rienaecker are Dr. Heinrich Bremer, Dipl.-Chem. Guenther Vormum, Dr. Karla Wenke, Dr. Siegfried Unger and Dipl.-Chem. Hans-Georg Jerschke-witsch. It is anticipated that Dr. Brigitte Sarry will not accompany the group to East Berlin; this suggests that she and Rienaecker are no longer the intimate friends they have been in the past.
